CO-PAY ASSISTANCE PROGRAM

Novartis Oncology offers access to information about financial assistance for almost all Novartis Oncology products. You may be eligible for immediate co-pay savings on your next prescription:

- ◆ Commercially insured patients pay \$10 per month per TAFINLAR® (dabrafenib) capsules and MEKINIST® (trametinib) tablets or \$20 per month for both TAFINLAR and MEKINIST
- ◆ Novartis will pay the remaining co-pay, up to \$15,000 per calendar year

Limitations apply. Offer is not valid under Medicare, Medicaid, or any other federal or state program. Novartis reserves the right to rescind, revoke, or amend this program without notice. For full terms and conditions, visit www.CoPay.NovartisOncology.com or call 1-877-577-7756.

See if you are eligible at www.CoPay.NovartisOncology.com, or call 1-877-577-7756.

Please [click here](#) for full Prescribing Information for TAFINLAR, including Medication Guide, and [click here](#) for full Prescribing Information for MEKINIST, including Patient Information.

Patient Assistance Now Oncology (PANO)

Novartis Oncology is committed to helping you get the medicines you need. Getting access to medications can sometimes be difficult or confusing. Patient Assistance Now Oncology (PANO) offers tools and support designed specifically to help make that process easier.

Support for patients includes:

- Help you understand your insurance coverage and financial responsibilities through the insurance verification process
- Help you identify/determine pharmacies covered by your plan
- Provide insurance and Medicare education

To learn more, call **1-800-282-7630**.

Patient Assistance Now Oncology

Assistance. Access. Answers.

- Provide information about financial assistance that may be available
- Patient Support Counselors who are able to provide information in over 160 languages
- One single point of contact to help guide you through getting access to the medicine prescribed by your doctor

Free 30-day trial

Eligible patients can receive a one-time, per-dose, free 30-day supply of TAFINLAR® (dabrafenib) capsules and MEKINIST® (trametinib) tablets for a US Food and Drug Administration-approved indication. Your supply will be shipped directly to you so you can get started with treatment immediately.

Ask your doctor or nurse about the TAFINLAR and MEKINIST 30-day free-trial program.
